Dear Parents:

We hope your child has enjoyed their first week of school at NDAA.

We apologize that some of the changes regarding after school care may have taken you by surprise. It was not our intent to cause families any distress. We wanted the teachers to be more available to you to discuss any concerns you may have regarding your child's progress in a more appropriate environment at a more convenient time to you. Please feel free to stop by my office if you have any questions or concerns.
