# CAN YOU AFFORD TO MISS OUT ON YOUR CHANCE FOR FREE COLLEGE?

**Effective and Affordable-** Hundreds, even thousands of dollars for a test prep program can set families back financially but College Prep Genius provides a cost-effective program that is successful all around the world.

**Uniqueness** – Most test prep companies, even expensive ones, re-teach high school. The SAT/PSAT are logic tests and we teach how to answers questions in 30 seconds or less.

**Proven Results-** With so many programs on the market that offer grandiose but sometimes arbitrary promises, College Prep Genius has been around 13 years with many students raising scores as much as 600 points!

**Gain an edge-** A strong GPA is no longer good enough to set your student apart for most scholarships since all schools weigh and calculate their scores differently. The SAT is the great equalizer leveling the playing field for all students

**Covers SAT, PSAT and more-** Many programs will charge you separately for preparation for more than one test but we cover the SAT and PSAT and learning our test-taking strategies have worked successfully on the ACT, AP, Subject Tests...

**Roll out the red carpet-** Most people don't know that scholarships are tied directly to SAT scores. Colleges get their national rankings based on test scores so, the higher the score-the bigger the scholarships!

There are no refunds unless a class is cancelled due to class minimum not met by deadline. Please bring pencils and calculator. Note: Texting or class disruption may be cause for removal of class.
