

NDAA Uniform Instruction and Information

At this time, the uniforms are offered in packages that offer 20-25% savings off the regular website pricing for individual items. This provides the uniform pieces your student needs for one week of school. **If your order is placed before 7/20, it is eligible for the early-bird payment option.** This allows you to pay ½ initially and the remaining ½ on August 1st. At you appointment, your student will try-on the uniform pieces to find the correct fit, fill out an order form and turn it in for processing. After that, you will receive an email with a link to make a payment online. We will not be collecting any payments at this event. Also, the package prices include free shipping to your home.
